

Android VPN Settings

If you're experiencing connectivity issues, it may be due to personal hotspots or VPNs interfering with our network. Follow these simple steps to disable your VPN on iOS and Android devices to restore seamless access to campus Wi-Fi.

[AndroidLogo.png](#)

1. Open **Settings**
2. Tap **Connections** or **Network & Internet**
3. Select **VPN** (Or go to **Advanced > VPN**)
4. Tap the active VPN connection and select **Disconnect** or toggle it to **OFF**
